Modern Slavery Statement

On the 29th October 2015 the Modern Slavery Act came into force.

With Modern Slavery still happening across the country, this act was designed to seek out and eliminate such horrendous crimes of human trafficking, slavery and compulsory labour.

Who are we?

ID Medical is a multi-disciplinary medical recruitment agency supplying doctors, nurses, allied healthcare professionals, healthcare assistants and primary care staff to NHS Hospitals including the private medical sector and other public agencies such as HMPs across the UK.

Its board of Directors includes Managing Director, Deenu Patel, Director, David Newton, and Director of Operations, Ranjit Nandha.

From its headquarters in Milton Keynes as well as its central London office, ID Medical provides practical, cost-effective and innovative workforce solutions, supplying over 5 million hours to the NHS per annum. Within each of its professional divisions, ID Medical has dedicated client and candidate teams covering the multitude of medical specialties and roles to ensure each customer receives its premier level service, ultimately ensuring patient safety is paramount.

An award winning Framework Agency, we are governed by our contracts and legislation.

ID Medical's ethic on Equal Opportunities has not and will not tolerate any individual, group or organisation who subjects workers to Modern Slavery during their operations.

Working with government run organisations, such as the NHS, ensures that ID Medical conforms to regulations set out in legislation directly and as such is subject to many audits throughout the year ensuring all compliance standards are met.

How do we source our staff?

As an Equal Opportunities Organisation, we welcome candidates and internal staff via online job searches, referrals and recruitment drives. Our recruitment drives are held nationally and internationally by a carefully selected team who will hold open days inviting those with an interest to come along and have an informal discussion

about their expectations and plans. Candidates and staff are then welcome to begin their registration.

As a recruitment agency we are governed by The Recruitment & Employment Confederation (REC) for which we recently passed their compliance audit.
