Primary Care

Complete workforce solution

Our specialist Primary Care team understands the unique challenges, being at the forefront of Healthcare brings.

Especially when it comes to ever-rising patient wait lists and tackling the gap between supply and demand for Healthcare Professionals (HCPs), exacerbated by both pre and post-Covid pressures.

As the largest provider of HCPs to the NHS, we have the supply capability you need; tackling these challenges by connecting and supporting HCPs with the Healthcare Organisations that need them, alongside providing managed services across single or multiple sites for staff across a number of disciplines.

Whether you are looking for GPs, Nurses or Clinicians with specialties in particular demand such as Diabetes, Minor Illnesses, Asthma, Chronic obstructive pulmonary disease (COPD), Obstetrics and Gynaecology, Family Planning, Dermatology, Oncology or Psychiatry, we can help support you with our team of dedicated Primary Care advisors.

How we can help

Temporary Staffing Solutions

Bridging the gap between supply & demand by filling last-minute, temporary vacancies (full-time, part-time or ad hoc) with qualified, highly motivated HCPs choosing to work on a more flexible basis.

Permanent Staffing Solutions

Creating significant long-term savings by sourcing and helping place Primary Care clinicians in permanent vacancies across all settings, including sourcing and supporting the relocation of appropriate overseas Healthcare Professionals.

Workforce Management Technology

Our position on the new Primary Care workforce technology framework ensures a single unified, interoperable platform that allows you to manage fill at best value across Roster, Bank, Collaborative Bank and Agency as well as managing compliance needs and even Direct Engagement. Our platform supports Primary Care flexible staff pools.
