

Support with your upcoming appointment...

Need a Chaperone?

All patients are entitled to have a chaperone present for any consultation, examination, or procedure where they feel one is required. The chaperone may be informal, eg, a family member or friend. You may prefer a formal chaperone to be present.

If you would like a chaperone present during your consultation, please advise the administrator when booking your appointment, or when checking in for your appointment.

Need an Interpreter?

If you require an interpreter either call/email or come into the surgery and we will be happy to arrange the service.
